

I am a regular listener to KLOVE radio in my local community of Ardmore, Oklahoma. It is the only radio station I and my children listen to. I know many local residents that also listen to KLOVE radio and would be devastated to lose that station if displaced by an LPFM broadcaster providing other programming. I believe that the service provided by KLOVE radio is of utmost importance to our community because of the ministry it provides in prayer, wholesome music, listen supported radio, and commercial free music and ministry. Please do not allow this station and others like it to go off the air.
